Dear Prospective Sponsor,

*McDonough Youth Association (MYA)* is a non-profit youth sports organization dedicated to providing the children of Henry County and surrounding areas a positive and enjoyable youth Recreation and Competitive softball program. Designed to improve individual skills and promote good sportsmanship, honesty, fairness, and integrity in a competitive, yet supportive athletic environment.

While MYA Softball is able to provide the minimum equipment and uniform items necessary to play this great game, additional funds are often needed to acquire additional equipment, training aids, and other uniform items that make the softball experience that much more enjoyable for all of our players.

Your generous donation will help the above team offset expenses they have incurred obtaining these additional items to be used during the softball season and beyond.

We invite you to come see your donation dollars at play. We are located at Alexander Park on Hwy. 42N in McDonough, Georgia. For more information about upcoming events and team schedules, please visit our website at <http://mcdonoughyouth.bonzidev.com/home.php>. MYA Softball thanks you for this kind donation, but most importantly, our players thank you for the donation because it makes it possible for them to truly enjoy the game, while experiencing the thrill of competition and reaping the rewards of athletic achievement. (Please note that each team has their own account and is independent of MYA)

Best Regards,
